

# CARE *your* WAY

by INSPIRIT

Care Your Way is a quality first care first approach to providing exceptional care. Every Resident is provided a detailed care assessment conducted by a healthcare expert which provides a real-time evaluation of exactly what is needed today, while preparing for tomorrow.

Level of care is determined by identifying an individual's performance of specific activities of daily living, (ADL's):

- **Bathing**
- **Dressing**
- **Grooming**
- **Eating/Feeding**
- **Toileting**
- **Transferring**
- **Ambulation**

Each ADL equating to a point level which helps to design a customized care plan. The result is care that is done "your way" everyday.
